

DONATIONS

Donations of *saleable* items may be made between 9:00 AM–11:30 AM Saturdays at the Velona building if we are open. Please be considerate of our hard-working volunteers who are also setting up and putting away the yard sale items and adhere to these hours for donations.

While we appreciate your donations, please DO NOT leave items for donation outdoors in the Velona Building area unless Lions Club members are present to accept your donation. It is against dumping regulations and your items will be exposed to the elements. Thank you for your understanding and cooperation.

Please refer to the Donation Guidelines below before bringing your items to the Velona building. We know that you want your donation to do the most good for your community. Please do not donate items that have been recalled, are stained, damaged, missing parts or are in need of repair.

We appreciate you bringing your donations to our location! If you are unable to transport, please call 540-495-0640 to arrange a pickup of furniture or a larger quantity of smaller items.
